Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

School policy stipulates that payments for camps and excursions are non-refundable, as they are based on a group charge. There may be a portion available for refund for example, an entry to the movie where a charge is raised at the time of entry. Personal insurance is optional to protect parents/guardians in the event of unforeseen circumstances.
