6. Student behavioural expectations and management

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Ashwood High School's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Ashwood High School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff. Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:
